About This Game

The Clean Up Clyde Collection is a compilation of three short but challenging classic arcade style games. Each one varying from what you might find at an arcade to what you might bring home to your early 8-bit consoles.

Included Games

- **Clean Up Clyde The Arcade** - Clean Up Clyde will have you going through seven stages avoiding enemies and projectiles while you clean up a mess left by Roller Rosie (a young girl infatuated with our protagonist). Also, in classic arcade style, after beating the stages you will return to the original stage with slightly higher difficulty while you try to get a high score. Find the hidden bonus stage to rack up even more points and even earn extra lives!
- **Wantari Presents Clean Up Clyde The Home Version** - Enjoy a early 1980's home console release of the arcade classic, with a slight twist!
- **Rosie Run** - Play an endless runner based on the Clean Up Clyde The Arcade's bonus stage starring Roller Rosie. Try to get the highest score!
